Group Connect is intended to be used by adults, children under the age of 15 are strongly advised to seek significant parental involvement and approval to use this service. If a parent wishes to add a user who is under the age of 15 to their group and thus the group connect service, the parent must first complete this Parental Consent Form and return it by email to [support@getgroupconnect.com](mailto:support@getgroupconnect.com).

If you believe that we might have inadvertently collected information from a child under the age of 15 without parental consent, please contact us at [support@getgroupconnect.com](mailto:support@getgroupconnect.com).
